Dear Friend:

The Optimist Club of San Antonio has an important fund raising activity coming up this fall – *our “Friend of Youth” Golf Tournament*. It is going to be held at The Club at Sonterra on Monday, October 4, 2010. The proceeds of this benefit local needy children.

We are preparing for 32 teams and would like to be able to offer quality prizes for longest drive and closest to the pin, door prizes and “goodie bags”, plus a silent auction. Please consider assisting us in this worthy cause by donating one or more items for one of these prize categories. Your company will be acknowledged in our weekly newsletter, printed program, and also announced as a supporter at the awards dinner.

The Optimist Service Fund-San Antonio, Inc. is our 501(c)(3) charitable corporation. The State of Texas and the Internal Revenue Service recognize it as a tax-exempt entity. I can provide a statement to that effect for your records, if needed.

If you are a golfer, we would be delighted to have you join us on October 4th. Let us know so that one of the entry forms can be included for your use.

Thank you for any help you can provide.

Optimistically,
