The Optimist Creed

Promise Yourself · To be so strong that nothing can disturb your peace of mind · To talk health, happiness and prosperity to every person you meet · To make all your friends feel that there is something in them · To look at the sunny side of everything and make your optimism come true · To think only of the best, to work only for the best and to expect only the best · To be just as enthusiastic about the success of others as you are about your own · To forget the mistakes of the past and press on to the greater achievements of the future · To wear a cheerful countenance at all times and give every living creature you meet a smile · To give so much time to the improvement of yourself that you have no time to criticize others · To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
